I wish to **object** to planning application number **20260649** for the reasons stated below:

I moved recently to this area to be near to green areas. we have put up with the noise and dirt from the affordable housing built opposite my home. we have suffered enough! There is too much stress on facilities such as the GP surgery now. No more houses required in what is a lovely community. There is a water shortage in the South East. More homes will make things worse. Don't expect Southern Water to solve that issue for you.

It would be nice, just for once if
local views are ~~not~~ taken into account.
But I'm not holding out much hope
as no one in Llanwrthwl council/
planning department probably lives
locally!

I am concerned at the loss of
essential farm land. we should not
be dependant on other countries
Feeding us.
