I wish to object to planning application number 20260649 for the reasons stated below:

The Drove Way is the only feed road to the new proposed
Developments which already served Weald Close,
Bramley Close & Worcester Close, which ^{in turn} served the
Doctors Surgery, the Community Centre and a recreation ground.

The local Shops can park accesses at the start of
The Drove Way; this all adding to congestion of traffic
movements onto the Drove Way.

If the Doctor's Surgery is holding a MASS Inoculation
(Flu, Covid, etc) the Drove Way is packed with
parked cars.

Living on the Drove Way we see all these occasions →
