Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	We would like to support this application.
	It will increase security [REDACTED]
	It will slow down the vehicles entering the properties as they are Air BnB's that are not always familiar with the area.
	We have witnessed a large group running races along the drive that is not part of their Air BnB, this would help stop behavior like this.

Kind regards
