Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Hillside drive is very narrow and will only allow 1 car access, the sight lines where road enters old road east are insufficient for safe exit, vehicles need to pull across the pavement to see oncoming traffic, the proposed development together with plans already agreed will only exacerbate the problem. There is no pathway on hillside drive making it dangerous for all but in particular children

Kind regards
