Reasons for comment:

Comments:	Cobham is in a Conservation Area. 1. Many houses are listed. 2. The proposed garage in the front is completely, and totally out of keeping with the village, and The Street. 3. What will the impact of obscured light and noise have on immediate neighbours? 4. The existing modern bungalow was built when "in keeping" cottages were demolished. 5. The shop car parking will be reduced. 6. The turning in and out of the car park will be more difficult. 7. This shop is a much valued village asset by locals and visitors as it sells local fruit and vegetables, local crafts etc.
