Dear Peter Price,
R.E. 20211328 – Taralee, Wrotham Road, Meopham, Gravesend, DA13 0HP

Following discussion by Meopham Parish Council's Planning Applications Committee; the Council wishes to provide the following response:

The Parish Council wishes to object on the same grounds as the previous application made for this site despite the amendments to the proposal;

- *Inappropriate development of a family home*
- *It will generate issues with traffic and parking due to the lack of capability at the site to accommodate an increase in vehicular access that would be caused by an increase in occupiers.*

Yours Sincerely

Shaun Fishenden
