Reasons for comment:	
Comments:	Good Evening, I object as changing this will effect the parking as there will be people trying to park along the lane and there are already lack of parking spaces for the people that live in church street and Bull lane. So where will the people that come to the training area park their cars? Also I have dogs and the dog training area will be at the back of my garden so the sound of the dogs may effect my dogs and make them bark as they will be hearing other dogs. This is a nice quiet area and I do not want to hear the noise of dogs being trained as I'm trying to relax in my garden. We have many fields around the area for dogs to have nice long walks and get exercise. I do not think this will benefit our local community in any way.

Kind regards
