Details of the pre-application advice received

The enquiry is highly unlikely to be supported by the Local Planning Authority. The design is contrary to guidance, policy and therefore the development plan. The proposal has the potential to detrimentally impact neighbouring amenity in terms of privacy. The applicant may wish to explore whether a similar proposal (minus the front gable) could be carried out under permitted development rights. In this instance, the applicant is strongly recommended to submit a lawful development certificate prior to carrying out any development. It is useful for volume calculations to be provided alongside this type of application.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
- ☐ Lessee
- ☐ Occupier
