Reasons for comment:

Comments: I highly object to this planning application for 67 dwellings on green belt land. My reasoning is I left London for the countryside to live in peaceful, quiet surroundings. The impact of 67 dwellings will be disasterous. The amount of traffic it will cause in our lanes, Wrotham road is forever having issues with roadworks etc... The noise and pollution will get worse. Meopham was and still should be a place of outstanding beauty which we are losing. Already, it is difficult to get doctors appointments with more people it will be impossible. There is not alot for teenagers to do in this area as it is. With all these new houses being built it is bound to also bring with it anti social behaviour. I strongly object to this application.

Kind regards
