Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments: I am writing to object to the planning application in Dover Road . From a car sales ground floor building to a barbers . Also any accommodation above the premise . Dover Road already suffers from over parking . By this I mean even parking on yellow lines and pavement parking . It is a very busy main road at the best of times . By adding another shop , will just add to the daily misery of vehicles parking just anywhere . There is already an established barbers only approx 400 metres away on The Hill Northfleet . Why the need for yet another one and so close to each other . I feel that this application should be refused as a local resident , living only houses away from the premises , who will be greatly affected by it . I have issues trying to park outside my own home now , due to the neighbouring chip shop and mini market . Add more vehicles into the mix and it will be horrendous . I wish to object strongly to this application . Let someone come and see the proposed site then they will see the issues .

Kind regards
