Date: 22nd October 2024

Dear Sirs,

Town & Country Planning (Environmental Impact Assessment) Regulations 2011

**Request for an Environmental Impact Assessment Screening Opinion - Town and Country Planning (Environmental Impact Assessment) Regulations 2017 (as amended) for proposed installation of a battery energy storage system with a generating capacity of up to 300MWp/300MWh
Land Adjacent Station Road Southfleet Kent DA13 9PA**

The Council has received a request for a screening opinion for the proposed development of the above site.

The information submitted with the request for a screening opinion can be viewed on The Council's website www.dartford.gov.uk, or by using the following link:

<https://publicaccess.dartford.gov.uk/online-applications/applicationDetails.do?activeTab=summary&keyVal=SLHUQGBQ00L00>

I would be grateful for your comments as to whether the proposal is likely to have significant effect on the environment. If you require further information in order to consider this please let me know and email/telephone using the contact details at the top of this letter.

As The Council has limited time to respond to this screen request, formal comments should be received by 5 November 2024. .

I look forward to hearing from you.

Kind regards

On behalf of Dartford Borough Council
