Dear Sir/Madam

Application: 20240922

Proposal: Application for prior approval under Part 18 of the Town and Country Planning (General Permitted Development) Order 2015- Construction of a stepped footbridge

Location: Shornemead Level Crossing Queens Farm Road Shorne Gravesend Kent DA12 3HU

Thank you for your consultation on the above-referenced planning application.

The North Kent Marshes Internal Drainage Board has no objection in principle to the proposed footbridge. Since the site is within our drainage district, if the work, including temporary work, affects a watercourse, then the Applicant should provide details to the Board as land drainage consent may be required under the Land Drainage Act 1991.

This response is based on the information provided with the planning application and is reliant on its accuracy. The Board would be very grateful if its comments were used in their entirety.

Yours faithfully,

Anita Soloman
