

NOTICE OF PUBLIC CONSULTATION ON PROPOSED ELECTRIC VEHICLE CHARGING HUB

at the Former Tollgate Hotel, Wrotham Road,
Gravesend, DA13 9RE

On behalf of bp pulse, Rapleys LLP invites you to comment on our proposed redevelopment of the Former Tollgate Hotel.

The proposal comprises the redevelopment of the vacant and dilapidated Former Tollgate Hotel site to provide 24 EV Ultra-Fast charging bays, an M&S and Wild Bean Café branded forecourt shop and an ancillary six island petrol filling station, alongside substantial landscaping and biodiversity improvements.

bp pulse are committed to providing a high quality and much needed EV charging facility that would provide Ultra-Fast chargers capable of charging a single electric vehicle up to 80% in 20-minutes, and the company wishes to inform local residents of the proposals, and to secure comments/views on them.

Full details of the proposed development can be viewed, and comments can be made, via a dedicated website, which can be viewed here:

bp-tollgatehotel-gravesend.rapleys.com

We intend to formally submit the planning application to Gravesend Borough Council in the autumn. To ensure your comments are taken into account, please respond via our **website by 9th September 2024**.

Alternatively, you could email your comments to **tollgate@rapleys.com** – please ensure the reference **“Tollgate Public Consultation”** is clearly quoted within the subject of the email.

We look forward to hearing from you.
