Reasons for comment:	
Comments:	We need to keep farming land and not build more houses, the infrastructure is not sustainable for more land to be built on in this area. The A227 is notorious for the traffic now more and more lorries and cars than 2 years ago when we moved to the VILLAGE!! The Doctors is hard enough to get an appointment and the local hospital Darenth Valley is running at capacity with appointments taking longer to get! And beds in corridors of a night. Please don't build on greenbelt and take more food from our table as that's more important than more and more houses.

Kind regards
