Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>The Fairway is a quiet, peaceful residential street with very little movement in terms of properties. Many have been updated, modified or extended because residents are happy to remain.</p> <p>So I am dismayed to learn about the proposal for Number 19 to become a Children's Home after redevelopment is complete.</p> <p>The social issues associated with such an enterprise are not in keeping with an area such as The Fairway.</p> <p>Traffic and parking are already a problem, particularly during term time with parents and students parking at the lower end where there is no off road parking.</p> <p>I understand that residences in The Fairway should not be used in any business or trading activities.</p> <p>As such I strongly object to the proposals for No. 19 and expect Gravesham Borough Council's Planning Dept to reject them.</p>

Kind regards
