Reasons for comment:	
Comments:	This proposed plan is an absolute disgrace. The roads round here can't deal with it for a start. People pay a premium to live here because it is a village, and the people who grew up here are at now at risk of this beautiful area becoming totally unrecognisable. This area is on greenbelt land and is stunning and we cherish the place. These developers are proposing to ruin our home by creating some urban sprawl that we see everywhere now, destroying our countryside, just so that they can line their pockets. This can NOT be allowed to go ahead

Kind regards
