Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	My husband and I profoundly object to the above proposal. Whilst recognising the need for housing, the position of this proposed development will greatly impact on the local infrastructure including increased traffic on a system which is currently over strained, pressure on local schools and doctors, damage to local roads and the disappearance of yet more natural fields impacting local wildlife.

Kind regards
