

20211422 Agricultural Barn Warren Farm Swillers Lane Shorne Gravesend Kent DA12 3ED

24 November 2021 Rural Planning

The proposal relates to the Class Q "permitted development" change of use provisions.

I have no personal knowledge of whether the past use of the building concerned meets the Class Q criteria.

The issue of the suitability of the conversion under the GPDO provisions is not within Rural Planning Limited's advisory remit.

Thus I do not believe I can help in this instance.
