Reasons for comment:	
Comments:	Traffic - impact on traffic congestion, parking, overspill. Lorrie's and large vehicles are already a common factor along this road, driving at speed, Children walk, ride scooters and bikes and to the local schools increasing risk of accidents. Air quality - increased vehicle trips affecting air quality in an area where pollution has historically exceeded national limits Residential amenity - impact of noise, anti-social behaviour, loitering, cooking emissions, disturbance from increased footfall, litter and ease of enabling school children to have unhealthy, fast food as an easily accessible convenience.

Kind regards
