Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The Wrotham Road can not handle the volume of traffic in this development without proper provision. The environmental impact on the air quality alone with houses close on both sides of the road. School children walking to the 3 schools will be affected both by air quality and safety due to the volume of extra road users.

Kind regards
