Dear Alison Webster

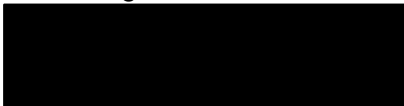

20230904 – Longacre, Valley Lane, Culverstone

The Parish Council wishes to provide the following response:

The property in question is within the Green Belt situated in the Harvel Wooded Downs area where the presumption is against further development. No further information has been provided with the application, so it is difficult to determine if continued residential use of 'the annex' will mean the intention for future use will be sustainable and sympathetic to the natural environment, or indeed additive to the area.

The Parish Council therefore requests that further details of the Annex and its sustainability for being deemed suitable for residential use be supplied to enable sufficient consideration of this application.

Kind Regards,

Shaun Fishenden BA (Hons)
Clerk and Responsible Financial Officer
