Reasons for comment:	
Comments:	<p>There is not enough infrastructure for a further housing estate in Meopham and the surrounding areas. There are not enough school places, there is not enough GP spaces for existing residents.</p> <p>Meopham and the surrounding areas is a delicate ecosystem that is already inundated with traffic, negatively impacting the environment. The number of animals dead at the side of the roads has increased exponentially in the five years of dwelling here.</p> <p>The roads are already overrun. One issue on the A2, and Meopham, Sole Street and the surrounding roads are blocked.</p> <p>There are not enough shops, the parade at Meopham is ridiculously busy at all times of the day, all week with limited parking.</p> <p>This is no infrastructure supporting this build and will ruin the area.</p>

Kind regards
