Reasons for comment:

Comments:	<p>I wish to object to this planning application for the following reasons: -</p> <ol style="list-style-type: none">1. It does not conform the National Planning Policy Framework.2. It is further development of the green area and cannot be classified as a grey belt as it does not meet the requirements specified for grey belt land.3. With all the current developments across the urban areas in this part of Kent particularly around Maidstone, the Medway, Dartford and Gravesend it is critical that the rural areas are further protected and preserved for future generations particularly with regards to the environment and pollution.
