Reasons for comment:	
Comments:	<p>I am writing to object, without reservation.</p> <p>It has been acknowledged recently that there is enough brownfield to accommodate the building of 1.5 million homes. Therefore this proposed site is totally unnecessary as well as being completely unsuitable.</p> <p>In itself the destruction of the environment is unwarrantable, as well as negatively impacting human health and flora and fauna.</p> <p>No adequate public transport is available at this site so private vehicle usage would increase, resulting in increased congestion and pollution on an already very busy A227.</p> <p>Use brownfield - not greenfield!</p>

Kind regards
