Reasons for comment:	
Comments:	An appalling decision to a small village with so much history and beauty. The fact work has started shows the lack of consideration of those who are affected. The infrastructure in this area cannot cope and local resources are already in crisis with GPS, hospitals, schools. There is never any consideration to support services before adding more pressure. This cannot continue and destroying so many beautiful parts of Kent. The farmland and greenbelt are disappearing under more concrete jungle and traffic. This cannot continue

Kind regards
