Reasons for comment:	
Comments:	I wish to object to the proposed development at School lane/Taylor's lane. This building would be on green belt land, with the clear idea of stopping urban sprawl and uncontrolled urbanisation. Allowing this would be the thin edge of larger future green belt destruction within and around Higham. Services within Higham are already stretched, with water, school and medical facilities showing strain. The Doctors surgery is to close very soon. I would urge Gravesham Borough Council to reject this proposal. yours sincerely G. Upfold.

Kind regards
