Reasons for comment:

Comments: STRONGLY object to this proposed incursion into the Greenbelt with insufficient infrastructure , restricted road access , water drainage and development of valuable agricultural land ..which also will link the separate rural villages of Meopham and Sole Street...this in direct conflict with the Gravesham Rural Plan which portrays a Brownfield First policy which Gravesham are simply ignoring ...it has many areas of Brownfield in the Borough , specified on its GBC Brownfield Register ,which , if developed ,would provide significant housing with existing infrastructure and good transport links without the "easy out" option of Greenfield developments Greenfield should not be "Greenfield first " !

Kind regards
