Reasons for comment:	
Comments:	There are not enough services in higham to support this. We have no doctors surgery anymore, the school is already over subscribed and the traffic will be horrendous. We already are inundated with cars vans large lorries etc. We are only a small village with small roads as well. There will be so many cars going up and down forge lane and particularly down school lane which narrows considerably. This is not well thought out and we need our green fields.

Kind regards
