Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	My objection to the planning is that the idea is to create 400+ homes where there surrounding necessities do not support an extra 400 households. It's terrible that country areas are being built up so much that they do not stay country areas. The whole community does not support a companies get rich scheme where they will suffer and developers get rich.

Kind regards
