Reasons for comment:	
Comments:	Firstly, we are against this planning application due to the fact Istead Rise is full. With regard to water, which we can't do without are we going to have to be restricted as there won't be enough to go round. The doctors and hospitals are over subscribed. Please let the children have somewhere to play and see fields. We are supposed to be in the country!! Two buses an hour if you are lucky, not very good for access to hospital and main shops. We have a car at the moment but getting older probably will need to use buses in the future. Please think carefully before you ruin Istead Rise.

Kind regards
