Reasons for comment:	
Comments:	I object on the following points - Poor bus service - Lack of foot paths/cycle paths. The only way to leave the area on foot is to travel towards Gravesend. Combined with poor bus service this makes residents dependent on cars. - Limited access to site will make the junction of The Drove Way and Istead Rise even more difficult - especially at morning/evening peak times. - Insufficient school places - both primary and secondary. - Insufficient GP services.

Kind regards
