Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Too many issues already in local area which will be made worse by this application. A2 is always busy, overload of vehicles, smart lanes and lucky if moving at 5mph an hour in busy times. regular accidents due to congestion. no availability at doctors. no spaces at primary school, if primary school children have to be driven to other schools out of area even more cars on the road. bad air quality due to idling vehicles. major disruption to current residents lives with no consideration.

Kind regards
