Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	No thought for residents,extra vehicles,bad air quality.no infrastructure ,doctors,schools. Darenth hospital already unable to be used and major queues to it.local areas cannot keep up with the amount of applications in local area being made for development.it is all for developer greed with no consideration for local people who they leave behind in the mess once they have made their quick buck

Kind regards
