Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning application due to the fact that this piece of land of full of wildlife and the destruction to the habitat would be a disaster Not to mention the fact that we struggle with our water supply in this area , we have tankers taking water from one area to another due to shortages , the Road floods terribly whenever it rains and this road A227 is accident hot spot with accidents on many occasions which have caused death and left many with life changing injuries The highways have reservations on any House building in this area So in my opinion, these Houses should not be built

Kind regards
