Reasons for comment:	
Comments:	I regularly stay in the village looking after my grandchildren. The village can not substance further housing developments. The traffic infrastructure would not be able to substane more cars and vans etc on the road. The road down to higham village school is very busy and during school runs very dangerous to cross the road due to no parking facilities and people having to park along the main road. The local GP surgery is closing so where are these people going to register? Will this put neighbouring village at risk of over subscribed with patients, it's impossible at the moment to get any appointments.

Kind regards
