Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	As there is no design to look at I'm quite concerned what impact this build will have on me and my children's use of the garden. Our back door opens onto the extension which they would like to demolish. If they are removing the whole wall then I have lost access to my garden. How long is the work expected to take?

Kind regards
