Reasons for comment:

Comments:	I am writing to express my concerns regarding the proposed rear extension on 4 Sorrel Way. While I understand the desire to enhance your living space, I would like to bring a few points to your attention. Light Obstruction: The extension, as planned, is going to cast shadows over my conservatory, which diminishes the natural light I currently enjoy. This change would significantly affect [REDACTED] home's ambiance and usability. Satellite Signal Interference: Additionally, the height and placement of the extension may obstruct the signal to my satellite dish, which is crucial for my television service. Proximity to the Fence: Lastly, I have noticed that the extension is positioned quite close to [REDACTED] fence, which could raise concerns regarding privacy and future maintenance for both parties. I appreciate your understanding and hope we can discuss these matters further to find a resolution that works for everyone.
