Application Reference: 20251233		Case Officer: Adeoye Lawal

Proposal:	Outline planning application for the demolition of 64 Downs Road & erection of up to 154 residential dwellings & creation of a new access from Downs Road (Full details on Gravesham's Council's Website)

My address & postcode:		 The Drove Way Istead Rise DA13 9JZ	

I wish to **object** to planning application number **20251233** for the reasons stated below:

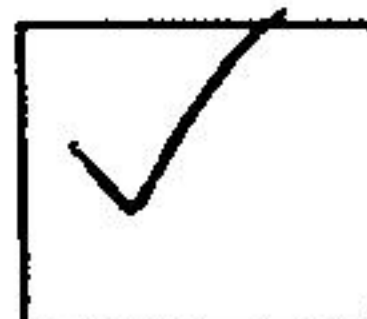

- ① Istead Rise is a village with small amenities not a town. It has small roads & cannot cope with more cars and the problems of safely parking.
- ② More carsonogenic fumes to residents and particularly the school. Danger in noise and access to other areas.
- ③ More traffic diverging off Wrotham Road & congestion from the A2. Already often traffic jams on Wrotham Road leading to cars using Istead Rise as a quick route to other areas such as Longfield, Meopham.
- ④ Schools will be overfilled → where is funding coming from. Congestion at Special School in Meopham not catered for.
