I wish to **object** to planning application number **20251233** for the reasons stated below:

With no or very little public transport available
and the increase in the no of cars this will generate
I am worried that Walnut hill road will become a
rat run for vehicles wishing to access longfield
this would affect the tranquility of those living
in newbarn
Lack of capacity for population influx.
Extra pressure on Doctors surgeries which are already
under enormous pressure
Utility problems
Congestion caused by extra cars
Not back of green belt area
Very few shops locally
