My address & postcode:	[Redacted] worcester close, Istead Rise. Gravesham, Kent DA13 9LB	

I wish to **object** to planning application number **20251233** for the reasons stated below:

I moved to this area two years ago, to get away from over developments and to be surrounded by green fields. Since living here I have never had so many electricity power cuts. I believe this development will affect the electricity and water supply issues, causing more disruption. It's bad enough that the council are building 7 Flats next to my home, causing noise pollution, we should not be allowing a much larger development with all the disruptions it will create to our roads and local amenities.
