Application Reference: 20251233		Case Officer: Adeoye Lawal	
Location:	Land at Rose Farm, Downs Road, Istead Rise, Gravesend, Kent		
Proposal:	Outline planning application for the demolition of 64 Downs Road & erection of up to 154 residential dwellings & creation of a new access from Downs Road (Full details on Gravesham's Council's Website)		
I am:	Member of the Public (Age 18 or above)	☒	Other:
My Title & Full Name:		[REDACTED]	
My address & postcode:	[REDACTED] HILL CLOSE, ISTEAD RISE GRAVESEND, KENT, DA13 9DD		

I wish to **object** to planning application number **20251233** for the reasons stated below:

Other sites should be used before using green belt land. We need this land to grow food
It will increase pollution in Downs Road, which is already choking from cars dropping off and collecting children
There is not enough doctors, hospital or dentists as it is, and no plans to increase
The plans do not include improvements to infrastructure that will be needed i.e traffic lights at the junction of downs Rd and new barn road.
We do not know the impact that the new over crossing will have on the A227, but it will probably increase a lot
