Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The land in question is about 250-300 yards [REDACTED] garden, although we are not direct neighbours it is an area that we walk with our dog and also drive along regularly. I cannot believe what has happened on this site as regards to the destruction of trees and shrubs in a way that look horrendous. There are now 3 or 4 mobile homes which are obviously resided in with their dogs often running lose. I strongly object to this application as it is already there, without permission, making the whole planning process a farce.

Kind regards
