Reasons for comment:

Comments:	<p>I wish to object to this outline application for the following reasons.</p> <ol style="list-style-type: none">1. It would be development on high grade agricultural land in the Green Belt and the Kent Downs National Landscape2. It would be detrimental to the rural character of Meopham village3. A development of this size would add to the pressure on already severely overstretched local facilities.4. The proposed access on Longfield road would add significantly to the already very severe traffic problems on the Longfield road and the A227 Wrotham Road5. The proposed development would not address the housing needs of the current inhabitants of Meopham.6. It wrongly anticipates the proposed Gravesham local plan which is due out next year.
