Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	As per all the previous applications I implicitly object. The people applying have no regard for the law and have completely ruined the green belt land without any planning permission. Not to mention the destruction of trees and negative behaviour by some of them when approached. Many local residents have been refused planning permission for simply changes to there existing properties. This planning application will mean several families all moving on to green belt land and affecting our landscape

Kind regards
