Reasons for comment:

Comments: I have lived in my home [REDACTED] and we have always been a quiet close knit community. I feel that the proposed development is not only out of character for the village, but will also bring, unwanted road traffic, noise and disruption to the area.
I am also concerned, that the value of not only my property, but those of the others in the village will depreciate. Should people choose to move, they will find it hard to sell their property with a traveller occupation in the vicinity and would have reduce the price to be able to move.

[REDACTED] and I feel the community as it stands is a safe place to live. [REDACTED]
