Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	Dear Sir / Madam, I am writing regarding a planning application that has been submitted for residential development at White Post Lane, Sole Street. I would like to raise several objections to this. There have been 7 previous applications for change of use of this land. In 2009 a High Court injunction was issued that prohibits residential use of this land. This is a permanent injunction meaning that no residential development is allowed at all. Caravans have already been placed on the land in breach of this legally enforceable injunction, destroying trees and surrounding land. The council has already been informed of this breach, yet the illegal development continues. Allowing this application would mean disregarding the High Court's ruling. Also, the council is required to enforce the prior court order and remove the illegal dwellings that have already been placed on this land immediately. Please reject this application and remove the illegal dwellings that have been already placed there. Thank you for your attention to this matter.
