Reasons for comment:	
Comments:	<p>This is near a school for neurodiversity and a primary school and the traffic caused by the new houses will cause added risk to children</p> <p>The village can not take more traffic and the increase in parked cars Wildlife will suffer We do not have enough capacity at either the schools or doctors</p> <p>With the tunnel getting approval traffic through Meopham will be unprecedented we already have backed up roads when ever there are road works</p>

Kind regards
