Reasons for comment:	
Comments:	<p>Firstly, I wish to object that prime agricultural land, which can be utilised for the production of food, can be considered as a potential housing estate. Whatever happened to "greenbelt"????!!</p> <p>Secondly, Longfield Road at the A.227 end, is already a nightmare. The road is narrow with local residents parking their vehicles, children crossing the road to get to and from the primary school and commercial vehicles in a hurry and not wishing to give way to oncoming traffic. It really is a blackspot. With additional housing in the vicinity, this will undoubtedly increase traffic.</p> <p>This site is adjacent to the Helen Allison school, whose pupils have various special educational needs. Just the development of this site could have a detrimental affect on these children who need a quiet and familiar environment.</p> <p>At the moment, here in Meopham there are three applications for housing developments plus one in Culverstone. There is also a high possibility that there will be a further application for an even bigger housing estate in Norwood Lane. Meopham will no longer be a village but a town!</p> <p>The local schools and medical facilities are over subscribed now. Please do not allow this application to succeed. It will be to the detriment of all current residents.</p>
