Reasons for comment:	
Comments:	I was bought up.in .Meopham and my parents still live there. I comment on their behalf to. I can ott express how important that land and Coutry is to the community. I was brought to walk there use the open spaces breath the good air. Protect the wildlife and generally embrace the village and country atmosphere. I have since moved to Dartford and we venture back often to do the above. The thought of it being spoilt is sole destroying gor future generations who need open country wide for health well being family time wild life sanctuary. Please dontturm Meopham into a town.

Kind regards
