Reasons for comment:	
Comments:	<p>I object on following grounds</p> <p>Loss of green belt and character as well as flood risk</p> <p>The road into the development will come out onto an already incredibly busy road that cannot sustain more traffic and journeys. There os already major traffic congestion if there are traffic lights or issues with then A2 as used as a rat run.</p> <p>Irreplaceable loss of habitat for wildlife as removal of tree and hedges for this development</p> <p>Inconsistent use of green belt land and an encroachment on on countryside and loss of character</p> <p>Increased pressure on local services who are already struggling such as GP surgery and shops as well as schools and local services.</p> <p>Flood risk as so many home will exacerbate it in this area as poor drainage</p>

Kind regards
